PROJECTS

- **Instant Quiz | JavaScript, React, MongoDB, Node, Tailwind css | [Link](#)**
 - Instant Quiz is a Full-stack web application built using MERN stack that provides a Quick quiz contest.
 - Allows users to register themselves and enter a 5min quick mock quiz.
 - Allows users to mark answers of the questions, submit the quiz, providing a clear view of their result.
 - Atractive Ui , Responsive design, usefull for school for taking short test or optional exams.
 - Allows admin to create multiple Question papers.
- **MegaBlog App | JavaScript, React, Redux, Appwrite | [Link](#)**
 - MegaBlog is a Full-stack web application built using React.js offers a dynamic and interactive platform for users to create, publish, update, delete and interact with blog content.
 - Used Appwrite (Backend as a service) in MegaBlog app.
 - Features – CRUD operation on Post, Login , Signup, Real Time Text Editor for Content Styling, Image Upload.
- **SortNote - Fullstack App | JavaScript, MongoDB, Express, React , Node | [Link](#)**
 - Clear and straightforward layout for users.
 - Ability to add 250 charecters in Note content.
 - Features – Create Note, Read Note , Delete Note , Update Note.
- **Todo App | HTML, CSS, JavaScript, React, LocalStorage | [Link](#)**
 - Allows users to create tasks easily by entering a title.
 - Allows users to mark tasks as complete, incomplete, providing a clear view of their progress.
 - User can also delete the Task after completion

TECHNICAL / NON-TECHNICAL SKILLS

- CODING LANGUAGES : C++, JavaScript.
- WEB DEVELOPMENT : JavaScript, React JS, Node JS, Express JS, Tailwind CSS, Redux.
- OTHER SKILLS : Data Structures & Algorithms, Software Engineering.
- DEVELOPER TOOLS: Git, Postman, VsCode.
- SKILLS : Leadership, Management.

EDUCATION

- | | |
|--------------------------------------------------------------------------------------------|--------------------------------------------|
| • B.Tech In Computer Science And Engineering
MAHARANA PRATAP ENGINEERING COLLEGE | 8.16(lastSem) 2021-Present
Kanpur, U.P |
| • Polytechnic In Computer Science And Engineering
GOVERNMENT POLYTECHNIC UNNAO | 75% 2021
Unnao, U.P |

ACHIEVEMENTS & CERTIFICATES

- Secured **3rd** position in college coding competition **Tech GAMMA 1.1**.
- **Finalist** in **Top Coder Competition** held at **Maharana Pratap Group Of Institutions**.
- **CodeRush Website Development Contest** participation by **SpriteEra IT Solutions**.
- **2-star** coder on **Leetcode**.
- Scored more than **300+** coding score in **GFG**.
- Earned HackerRank **Basic Problem Solving** Certificate.
